- **Core Competencies:** Investment Banking, Private Capital Advisory, Secondary Transactions, Institutional Fundraising, Financial Analysis, Investment Research, Due Diligence, Portfolio Analysis, Investor Profiling, Company Profiling, Market Research
- **Professional Strengths:** Data Analysis, Primary & Secondary Research, Project Management, Data Visualization

Certifications

- **Financial Markets** by Yale University
- **Google AI** Professional Certificate

Education

Year	Degree/Certificate	Institute	CPI/%
2018 - 2022	B.Tech(Honors)	National Institute of Technology, Raipur	8.42
2017	CBSE(XII)	Nirmal Higher Secondary School, Jagdalpur	73%
2015	CBSE(X)	Nirmal Higher Secondary School, Jagdalpur	9.2

Key Projects

- **Fund Performance Dashboard**
 - Built a SQL database to analyze fund-level cash flows across 12–15 funds, calculating MOIC and NAV trends by vintage year using SQL queries
 - Developed an interactive Power BI dashboard to visualize fund performance and vintage-year benchmarking, translating raw fund data into investor-ready insights
- **Ad Campaign Funnel Analytics**
 - Analyzed a multi-table ad campaign dataset (campaigns, ads, ad events) using SQL to calculate CTR, conversion rate, and cost-per-acquisition by channel
 - Built an interactive Power BI dashboard visualizing the impression-to-purchase funnel and channel-level ROI to surface actionable campaign insights

Positions of Responsibility

- **Placement Convener (2020–22):** Served the **Training and Placement Cell**, supporting internships and coordinating **Campus Placements**, achieving **87%** placements for the stream
- **Core Member, Public and Media Relations Cell (2019–20):** English Editor and Reporter for campus events, publishing reports in **Times Of India, Hitavada** and **NIT Raipur’s** official channels
