Exclusive International Flight Offers

We're excited to bring you exclusive fares through our global partnerships. These special offers come with certain limitations, but we assure timely services on these bookings. To give you added discount, special fares flights are sourced differently.

 **Ticket Issuance:** Ticket issuance typically takes 20 minutes to 2 hours on average but on rare occasions can take up to 8 hours. We will keep you notified by Email and WhatsApp throughout the process. In the rare event that we are unable to confirm your ticket, rest assured that you will receive a full refund without any deductions.

 **Web Check-In:** We advise passengers to complete web check-ins as some airlines may charge an additional fee for airport check-ins. This also helps avoid long queues at the airport.

 **Post-Booking Services:** For some airlines, we may have limited capabilities to assist you after your booking. Any post-booking service requests may take up to 24 hours to address due to the time zone differences between our operation centers and the ticketing airline.

 **Baggage Information:** Be sure to check your baggage allowance included in your ticket. Additional baggage can be purchased during the booking process if needed.

Important: Please also verify your flight timings, flight status, baggage allowances, and other details directly with the airline at least 24 hours before departure.

For airlines including **Ryanair, Wizz Air, Volotea, Air Malta, easyJet, Vueling, Air Serbia, and Olympic Air**, **web check-in is mandatory**.

Please ensure you complete your check-in online prior to reaching the airport, as **airport check-in may attract additional fees** as per airline policy.
